Guide: Students, welcome to the Nature Museum. Let's start our tour.

Here is a dinosaur specimen. We all know there are many types of

dinosaurs. We divide them into herbivores and carnivores. The

herbivorous dinosaurs are often larger in size, while carnivorous dinosaurs are usually...

wǒ lǎo gǎo bù míngbai wèishénme yǒu de shícǎodòngwù bǐ  
小明：我老搞不明白，为什么有的食草动物比  
shí ròudòngwù de tǐ xíng hái yào gāo dà ā nǐ kàn xiàng lǎo huáng niú  
食肉动物的体型还要高大啊。你看，像老黄牛、  
cháng jǐng lù tā men de tǐ xíng  
长颈鹿，它们的体型.....

Xiao Ming: I can never understand, why some herbivores are bigger than carnivores. Like the ox, the giraffe, their build...

xū nǐ men xiǎo diǎn shēng kuài diǎn rǎo zǒu  
兰兰：嘘，你们小点声，快点儿走。

Lan Lan: Sssh, quiet you two, keep up.

wǒ cāi zhè ge jiù shì dà míng dǐng dǐng de bà wáng lóng ba nǐ kàn  
小明：我猜，这个就是大名鼎鼎的霸王龙吧。你看，  
tā duō gāo dà ā yí dìng shì shí ròu kǒng lóng  
它多高大啊，一定是食肉恐龙。

Xiao Ming: I guess this must be the famous T-rex. Look how huge it is, it must be a carnivore.

tóng xué men wǒ men xiàn zài kàn dào de jiù shì léi lóng biāo  
讲解员：同学们，我们现在看到的就是雷龙标  
běn léi lóng jiù shì yī zhǒng shí cǎo kǒng lóng  
本。雷龙就是一种食草恐龙.....

Guide: Students, we are now looking at a specimen of the brontosaurus.

It is a type of herbivorous dinosaur...

hā hā xiǎo míng shuō cuò le ba tā jì bù shì bà wáng lóng yě bù shì shí  
Mike：哈哈小明，说错了吧。它既不是霸王龙也不是食  
ròu kǒng lóng  
肉恐龙。

Mike: Haha Xiao Ming, wrong. That's not the T-rex nor is it a carnivorous dinosaur.

nán dào wǒ jì cuò la míng míng shì bǎi kē shū shàng shuō de ma  
小明：难道我记错啦？明明是百科书上说的嘛。

Xiao Ming: Maybe I remembered it wrongly? That's what the encyclopedia said.

兰兰: wǒ sòng nǐ sì gè zì ———— qiáng cí duó lǐ hā hā  
我送你四个字——强词夺理，哈哈。

Lan Lan: Two words for you--lame excuse, haha.

小明: wǒ  
我.....

Xiao Ming: I...

讲解员: tóng xué men xiàn zài wǒ men shàng lóu qù cān guān pá xíng dòng wù guǎn  
同学们，现在我们上楼去参观爬行动物馆。

Guide: Classmates, now we're going upstairs to see the reptiles section.

Mike: hǎo la, bié jiě shì la zhī zhī wéi zhī zhī bù zhī wéi bù zhī ma  
好啦，别解释啦。知之为知之，不知为不知嘛。

Mike: Alright, don't explain. You either know or you don't.

小明: hēi, Mike, zhè jù huà shì wǒ zuó tiān gāng jiāo nǐ de nǐ dào ná lái xiào huà wǒ  
嘿，Mike，这句话是我昨天刚教你的，你倒拿来笑话我。

Xiao Ming: Hey, Mike, I just taught you that yesterday. Now you're using it to make fun of me.

兰兰: xiǎo míng, zán men kuài zǒu ba bié de tóng xué dōu shàng èr lóu le  
小明、Mike，咱们快走吧，别的同学都上二楼了。

Lan Lan: Xiao Ming, Mike, let's go. The other students have gone upstairs.

小明: hǎo ā, Mike kuài zǒu, lóu shàng hái yǒu rén tǐ biāo běn ne  
好啊。Mike快走，楼上还有人体标本呢。

Xiao Ming: Alright. Come on Mike, there are human specimen upstairs.
